

WHAT IS THE EMOTION CODE?

The Emotion Code is the simplest way to get rid of your emotional baggage, helping you feel freer, happier and healthier!

The technique was created and refined by a chiropractor, Dr. Bradley Nelson, who realized that his patients' aches and pains were more than just physically based— they were emotional. Dr. Brad coined the phrase "Trapped Emotions" which are negative energies that become trapped in the body during stressful emotional events.

Because the body is made of pure energy, the negative energy of Trapped Emotions can exert a damaging force on the body, which usually worsens over time. Trapped Emotions cause pain, self-sabotage, emotional problems and all kinds of malfunction and disease.

Your Certified Emotion Code Practitioner has been trained to discover and release your Trapped Emotions. This helps clear the way for your body's natural ability to heal itself, often resulting in a reversal of the disease process and a disappearance of emotional and physical ailments. The Emotion Code has been able to help all kinds of difficulties, including but not limited to all those listed on the right.

The Emotion Code is non-invasive, totally safe and requires very little time and effort on your part. No dredging up the past is required, which makes it very cost effective compared to other kinds of therapy. Everything discussed or discovered with your practitioner is always confidential.

HOW DOES IT WORK?

The subconscious mind is the ultra intelligent computer system of the body. It knows just what you need in order to be healthy and happy. The Emotion Code uses questions and muscle testing (a form of biofeedback) to get information from the subconscious about a Trapped Emotion. Once it has been identified, it can be released using a combination of two important elements: the modern technology of therapeutic magnets and the Ancient principles of Chinese Medicine. A magnet acts as a powerful carrier for the practitioner's intention to release the emotion. When that magnified intention energy is placed into the body via the Governing Meridian (a major energy channel in the acupuncture system), it flows through the body instantly and releases the emotion!
